

AIR RESCUE ONE

Medivac
Air Ambulance Service

**Saving time.
Saving lives.**

A Deccan Aviation & Escorts Heart Institute Initiative

Stranded Ambulances. Trickling time. Struggling lives. Nothing's rare any more. What with bludgeoning traffic clogging city roads through the day and a good part of the night too. And just when the scenario has worsened enough for us to succumb to fate, comes a unique service that brings back hope and peace of mind for those in need of emergency medical attention.

**Deccan Aviation & Escorts presents,
for the first time in India,
Medivac - Air Ambulance Service.**

Deccan Aviation Ltd and Escorts Heart Institute and Research Centre have launched a noble initiative - a one of its kind Air

Ambulance Service in the country. Medivac aims at providing a speedy and state of art "air lifting" patients who cannot go through the rigours of travelling by road but need emergency and advanced medical help. Now you can avail of the Medivac service, on call, 24 hrs a day. Manned by a 24x7 command center, Medivac will have priority access to the best fleet of aircraft and helicopters from Deccan Aviation along with the best emergency medical equipment and trained 'doctors on air' assigned by Escorts.

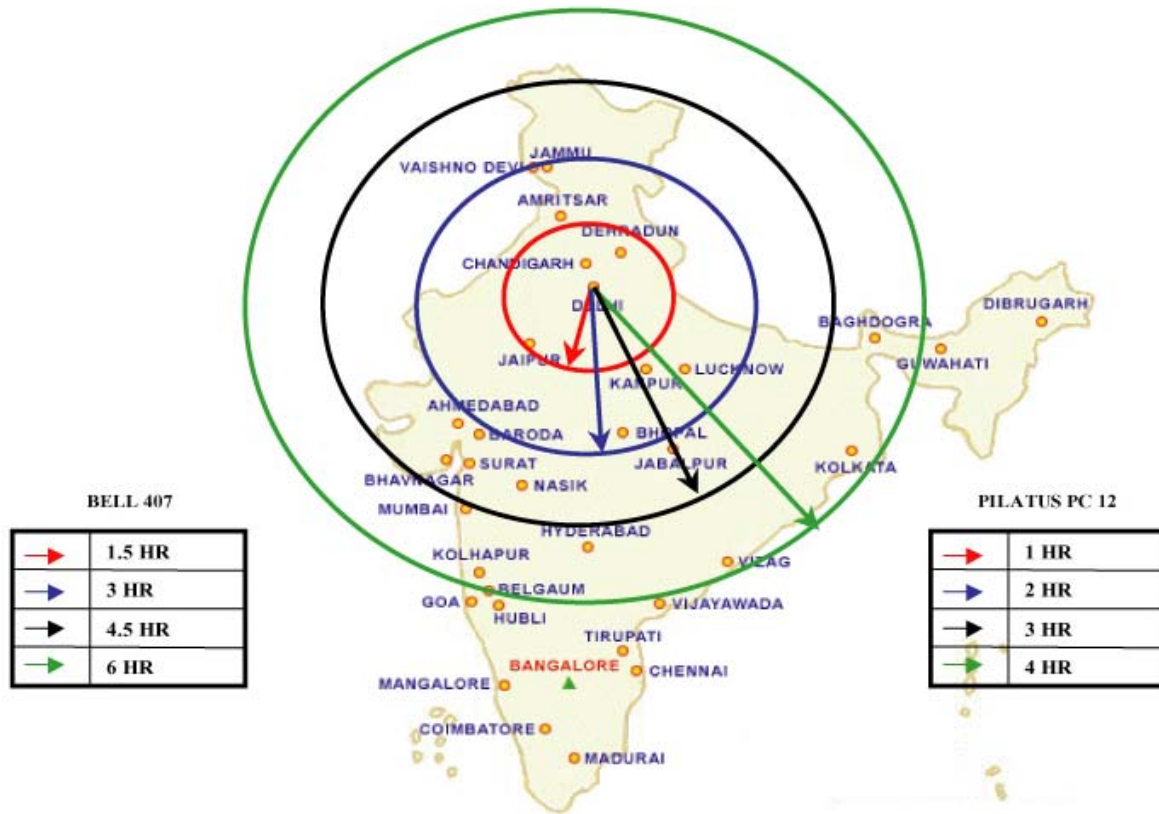

Now whenever there is a need for emergency medical attention you have an option to call the regular road ambulance or the fully equipped 'Medivac - Air Ambulance Service'.

A number to remember:

011-26825002/3

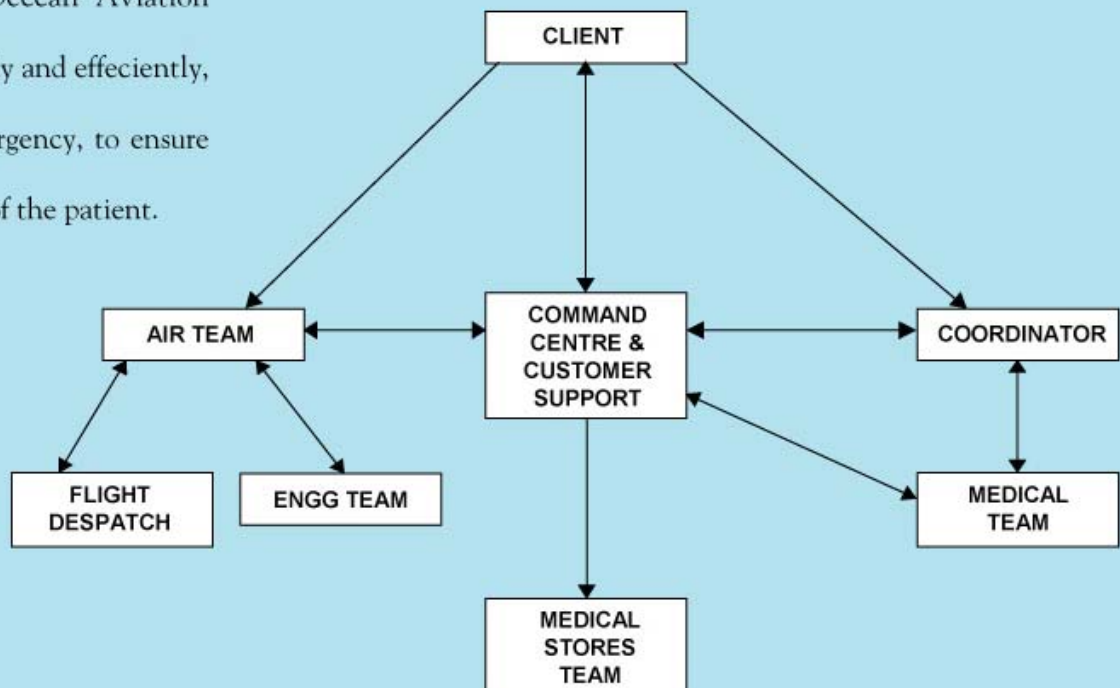

MEDIVAC AIR AMBULANCE SERVICE IS AVAILABLE FOR PEOPLE LIVING IN THE AREAS MARKED.

MEDEVAC EMERGENCY RESPONSE PROCEDURE

The EHIRC - Deccan Aviation team reacts quickly and efficiently, in a medical emergency, to ensure the timely airlift of the patient.

Deccan Aviation - Pioneering aviation in new directions.

Deccan Aviation is the largest charter aviation company in the private sector that not only conceptualised the whole category of helicopter flying but also propelled it into vividly expressive areas of application. And one that is committed towards providing unparalleled services in the field of charter aviation. Deccan Aviation has a network of bases spanning seven locations across the country. Promoted and operated by senior officers from the Indian Army, the company boasts a fleet of 9 helicopters and 2 fixed-wing aircraft deployed across its 8 bases nationwide.

Escorts - Bringing the best healthcare within people's reach.

Escorts Heart Institute and Research Centre (EHIRC) is today India's best-known and most respected medical facility. Completed 16 years in November 2004, in a recent all India survey, EHIRC has been adjudged as the best hospital in cardiac care in the country. EHIRC provides top end services in areas of acute care, invasive and non-invasive cardiology and state-of-the-art surgical procedures, besides playing a leading role in prevention, early detection and the reversal of heart disease.
